TERMINAL DISCLAIMER

S I R:

Petitioners, **Future Energy GmbH**, are the owners of 100 percent interest in the instant application. Petitioners hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer of U.S. Patent No. 6,827,912. Petitioners hereby agree that any patent so granted on the instant application shall be enforceable only for and during such period that it and U.S. Patent No. 6,827,912 are commonly owned. This agreement runs with

any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

For submissions on behalf of an organization (e.g. corporation, partnership, university, government agency, etc.), the person signing (whose title is supplied below) is empowered to act on behalf of the organization.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

A check in the amount of \$130.00 in payment of the fee for filing a terminal disclaimer under 37 CFR §1.20(d) is enclosed herewith. If any additional fees or charges are required in connection with this application, they may be charged to our U.S. Patent and Trademark Office Deposit Account No. 03-2412.
